
Foucault Blanchot Maurice Thought Outside

foucault blanchot - monoskop - michel foucault's *la pensee du dehors* first appeared in *critique*, no. 229 (1966). contents maurice blanchot: *the thought from outside* 7 by michel foucault michel foucault as i imagine him 61 by maurice blanchot **the thought of the outside, the outside ... - research at uvu** - name is maurice blanchot or the passion for/of the outside. deleuze used to say that, as a rule, two thinkers meet on a blind spot. deleuze and foucault did in fact cross each other's path on this eccentric point par excellence, which is the thought of the outside. i will try to show how this passion for/of the outside traversed their **philosophy thinking the outside: foucault, derrida and negative theology** - in his essay 'maurice blanchot: the thought from the outside' (1966), michel foucault ponders whether blanchot's thought is a new form of negative theology: '[o]ne might assume that it was born of the mystical thinking that has prowled the con"nes of christianity since the texts of the **the space of literature - monoskop** - the space of literature maurice blanchot translated, with an introduction, by ann smock ... foucault, jacques derrida, jean-luc nancy, and philippe lacoue-labarthe. 1 one way of indicating blanchot's enormous importance in french thought during the last half century is by **michel foucault on transgression and the thought of outside** - seminal papers and works of michel foucault, georges bataille, sade, or maurice blanchot. the main aspect of bataille's experience with transgression, a transgressive movement of thought, is that it co-occurs with the death of god, while foucault uses the **michel foucault's shorter works in english** - foucault and geography (aldershot, england: ashgate press, 2007), pp. 163--167. ... "maurice blanchot, the thought from outside" foucault/blanchot (new york: zone ... "the thought of the outside" j. faubion, ed., **aesthetics, method and epistemology** (new york: new press, 1998), pp. 147-169. translated by brian massumi, slightly **the unbearable trauma and witnessing in blanchot and levinas** - idiom? what if there was a language of thought that disrupted the clas-sical relation between philosophy and language? i will draw on the work of emmanuel levinas and maurice blanchot in order to address these questions and, more especially, what remains thought-provoking in their friendship, to which their texts bear witness **madness and the law: the derrida/foucault debate revisited** - derrida's reading of foucault as well as of the heterogeneity of foucault's texts. the article reflects in detail on a text of derrida on foucault ('*cogito and the history of madness*') as well as a text of foucault on blanchot ('*maurice blanchot: the thought from outside*'). **aesthetics, method, and epistemology** - english translation of "maurice blanchot: the thought from outside" reprinted from *ji'oucauu-blanchot*, ... x **aesthetics, method, and epistemology** ... what we have included in these three volumes are the writings that seemed to us central to the evolution of foucault's thought. we
